Erin Estate

— A VENUE AS UNIQUE AS YOU ARE —

We are thrilled to help you plan your wedding with us! A private and exclusive venue like Erin Estate offers opportunities to plan a magical day of a lifetime; however, it is important to consider planning details to ensure logistics don't get in the way of how wonderful your day can be. Please read over the following information and consider what we have found to work best, as well as the necessary requirements and your responsibilities at our venue. At the end of the day, planning the details is up to you but we are here to help.

PLANNING & DAY-OF-COORDINATION

IT STARTS WITH PLANNING

Planning and day-of-coordination is essential to ensure that your day is stress-free and everything you dreamed it would be. This is why Erin Estate requires at minimum a professional day-of-coordinator who is not a guest. Please see our preferred vendor list for some great recommendations!

CATERING

We offer premium in-house catering at Erin Estate for a turn-key booking experience. Please visit the book appointment section of our website to book your tasting today!

If you are looking for a particular menu or cultural cuisine, we welcome you to choose a caterer from our preferred vendor list, or you can bring in your own caterer. When planning keep in mind that Landmark fees apply to catering services. Our preferred caterer's rates are \$1,000, and outside caterers are \$2,000. Landmark fees do not apply to in-house catering.

DJ SERVICE & BANDS

THE MUSIC THAT GETS THE
PARTY GOING

We understand how important music is to your big day. We welcome both DJ's and live bands.

If you're looking to forego a DJ and DIY it you can rent our in house system for \$250 and have a guest designated to be your DJ of the day.

Find our preferred Officiants on our Preferred Vendors document and ask us about our 'Ceremony Enhancements' to truly add that special touch to your big day!

Erin Estate supplies all of the sound equipment and microphones necessary to operate your ceremony. For live music please inquire.

SHUTTLES & TRANSPORTATION

LET'S MAKE SURE EVERYONE
GETS HOME SAFE

We all want everyone to enjoy themselves and that means planning a safe way home. Erin Estate recommends Denny's Bus Lines (see Preferred Vendors) for all your shuttle needs. There are hotel options in Milton, Guelph, Orangeville, and Fergus. Make sure you inform your guests that Uber's and Lyft are not available at Erin Estate and Taxi's must be pre-arranged in advance as they will NOT pickup on demand.

Site Visits

Site visits can be an important step in planning your wedding. You are permitted up to 1 site visit and 1 self-guided site visit when booking your Wedding at Erin Estate. This can all be conveniently booked through our website www.ErinEstate.ca. If you haven't already created an account you will need to do that by first booking. Once you have booked your first appointment you will be able to login to the 'Client Area' and manage your future bookings, this includes cancelling or re-scheduling appointments

Rehearsal

Just like your Site Visit you can book your Rehearsal through our website. We recommend booking this as early as you can to ensure you don't miss out on the time that you want. Rehearsals can be up to 20 people, and up to 1 hour in duration. If you're looking for a great lowkey local restaurant for your rehearsal dinner we recommend the Bushhome in Erin. For a fine dining experience we recommend Greystones in Orangeville.
